

## Authors' Responsibility and Conflict of Interest for IJOC

All authors are required to read the following statements on (1) **Authors' Responsibility** and (2) **Conflict of Interest**. Please email the signed copy to the editorial office before publication.

### (1) Authors' Responsibility

- 1) The contents of the article have not been published elsewhere.
- 2) The manuscript is not under consideration for publication elsewhere.
- 3) All authors took a significant part in the work and approved the final version of the manuscript.
- 4) The order of authorship has been agreed by co-authors.
- 5) Investigations in humans are in accordance with the ethical standards of the responsible committee (institutional or regional) or with the Helsinki Declaration.
- 6) Studies on animal experiments include a statement in the compliance with the guidelines of the author's institution or the National Research Council's criteria (NIH No. 86-23).
- 7) All Authors agree to grant *International Society of Oral Care* a licence to publish your accepted article.
- 8) Authors have obtained all necessary permissions to publish any figures or tables in the manuscript, and assure that the authors will pay for any necessary charges.

### (2) Conflict of Interest

*International Journal of Oral Care* policy requires that all authors of all manuscripts sign a statement in respect of the paper for submission revealing all sources of revenue paid (or promised to be paid) directly to them or their institution on their behalf over the 36 months prior to submission of the work. This includes:

- 1) Any financial interest in or arrangement with a company whose product was used in a study or is referred to in an article.
- 2) Any financial interest in or arrangement with a competing company.
- 3) Any other financial connections, direct or indirect, or other situations that might raise the question of bias in the work reported or the conclusions, implications, or opinions stated including pertinent commercial, governmental, private or other sources of funding for the individual author(s) or for the affiliated department(s) or organization(s), personal relationships, or direct academic competition.
